

SHARE-SECURED MASTERCARD® AGREEMENT AND DISCLOSURE STATEMENT

October 2024

You agree to the following terms and conditions and any amendments thereto.

Accepting This Agreement

Before you sign or use the SchoolsFirst Federal Credit Union Mastercard® credit card issued to you, please read this Agreement thoroughly, because by using the credit card you will be agreeing to the terms and conditions stated in this Agreement. If you do not wish to be bound by this Agreement, do not use the credit card and contact us to let us know that you wish to cancel your credit card account with us. If you have received a card or checks to access the card account, destroy them.

Definitions

In this Agreement the words “you,” “your” and “yours” mean each and all of the person(s) who apply for and/or use the card, the words “credit card” mean the SchoolsFirst Federal Credit Union Mastercard credit card, and the words “we,” “our,” “us,” “Credit Union” and “SchoolsFirst FCU” mean SchoolsFirst Federal Credit Union.

Liability of All Cardholders and Authorized Users

You understand that you are liable for the payment of all sums due under this Agreement. If there is more than one borrower or authorized user on this account, each person, individually, and all persons jointly are obligated to repay all sums due under this Agreement. You agree that all statements made in your application for your credit card were for the purpose of obtaining credit and are true, correct, and complete to the best of your knowledge and belief.

Credit Limit

This Agreement establishes a credit card account for you with an open-end line of credit. Once your credit limit is established, a security deposit in the amount of your credit limit will be held in a designated share account. We have provided you with a separate written disclosure stating the credit limit for purchases, balance transfers and cash advances on your account, and that disclosure is made a part of this Agreement by this reference. Your monthly statements will show the amount of credit available to you for purchases, balance transfers and cash advances as of the statement date. We will give you written notice of any change in your credit limit. If your credit limit is decreased for any reason, any subsequent request for a credit limit increase will be subject to credit application and approval. You agree not to use your account in any way that would make the unpaid balance of your account exceed your credit limit. You also agree to pay us the amount of any transactions on your account in excess of your credit limit along with your regular minimum payment at your next scheduled payment due date. Purchases, balance transfers and advances are subject to daily limits that may restrict the full use of your credit limit.

Pledges of Shares

You grant us a consensual security interest in your account and have pledged funds on deposit for your Share-Secured Mastercard credit card in a designated share account to satisfy debts that are due us. We reserve the right to

exercise this pledge of share for liabilities owed to us against the Share-Secured Mastercard credit card account held by you individually or jointly with any other person(s) to the fullest extent permitted by law.

Security

To secure your obligation, you grant us a security interest in your designated share account at the Credit Union, under a SchoolsFirst Federal Credit Union Share-Secured Credit Card Security Agreement that you have signed. The Security Agreement is incorporated into and made part of this Agreement and Disclosure Statement by this reference.

Personal Identification Number

A Personal Identification Number (PIN) may be obtained by calling (866) 955-1347. This PIN may be used by you with your credit card to obtain a cash advance on your account at any Automated Teller Machine (ATM) displaying the Mastercard logo. Please keep your PIN confidential and do not write it on or keep it with your credit card.

Credit Information

You agree that we may re-examine and re-evaluate your creditworthiness at any time. You authorize us to obtain, from time to time, information from others, including but not limited to credit reporting agencies, concerning you and your credit accounts. You also authorize us to respond to requests from others and to provide information regarding the status and history of your account with us. However, we are not obligated to release any such information to anyone unless we are required by law to do so. You agree that we have the right to refuse future advances under your line of credit or reduce your credit limit upon re-examination and re-evaluation of your creditworthiness should your creditworthiness change significantly.

Change of Name, Address, Employment, Telephone

You agree to promptly report to us any change in your name, address, employment or telephone number.

Balance Transfers

Balance transfers are the transfer of balances from other lenders to your SchoolsFirst FCU credit card and cannot be applied to any amount you owe under any other credit agreement or account you have with SchoolsFirst FCU.

Purchases/Balance Transfers/Cash Advances

You may access your line of credit by making a purchase at a merchant's location that accepts the credit card, by requesting a Balance Transfer orally, electronically or in writing, or by making a cash advance. We will not be responsible or liable to you should anyone refuse to accept or honor your card, or should anyone retain your card and not return it to you. You may request cash advances under this Agreement by writing a SchoolsFirst FCU convenience check; by making a written, telephone or electronic request to us; or by requesting a cash advance at a financial institution or an ATM that accepts the credit card. You agree to repay all advances for purchases, balance transfers, and cash advances made to you or at the request of a joint borrower or authorized user under this Agreement, and you understand that all purchases, balance transfers and cash

advances will be subject to the terms of this Agreement. You agree not to request advances, balance transfers, make purchases or use your account in any way that would make the unpaid balance of your account exceed your credit limit. Cash advances cannot be used to pay any amount you owe under this Agreement or under any other credit agreement or account you have with us now or in the future.

Minimum Monthly Payments

You will receive a statement for each monthly billing period in which your account has an outstanding or credit balance. The minimum monthly payment on your account is calculated at 2% of the statement balance or \$25, whichever is greater. If your account balance is greater than your limit or your account is past due, you will be billed for the greater of: the minimum monthly payment; the past due amount; or the overlimit amount. If the account is not paid down to the limit or below, the account is subject to closure. The minimum monthly payment must be received at the payment center on or before the payment due date reflected on the front of your monthly billing statement or the payment may be considered past due. Payments made in excess of the minimum payment will be applied first to the balance with the highest interest rate, then successively to each lower interest rate until the excess payment amount is exhausted. If you have a credit balance on your account due to merchant credits, adjustments or overpayments, we will hold and apply this credit balance against future purchases and cash advances or refund it at your written request. An increase or decrease in the Annual Percentage Rate may result in an increase or decrease in your monthly payment.

Promise to Pay

You agree to pay us, at the payment address stated on the front of your monthly billing statement, all sums which have been accumulated on your account by you or others with your permission, together with any interest charges, late charges and any other service charges computed on your account as set forth in this Agreement.

Authorizations

Most transactions require approval of funds. Approvals result in placing a hold against your credit limit. We may limit the number or amount of approvals or purchases and advances per day or deny transactions when we detect unusual or suspicious activity, even if you have sufficient credit available. We are not liable for failing to approve any transaction and we may, although we are not required to, approve transactions above your available credit. We are not liable if a merchant, financial institution or ATM does not honor your card.

Membership Requirement

You must be a Member in good standing to be eligible for a credit card with us. We may suspend card privileges, including closing your account, if you do not maintain your Membership with us in good standing.

Responsibility for Account

You agree to repay us according to the terms of this Agreement for all purchases, balance transfers, advances, interest charges, fees, and collection costs, if any, arising from the use of this account by you or any other person you permit to use your card and/or account (even if that person exceeded the amount for which you gave permission). If you decide to close your account, please notify us orally or in writing and return all card(s) on the account. You remain liable for any transactions to the account that we cannot prevent after you notify us. Any person using the account and/or card is jointly and severally responsible for all charges on the account.

Lost, Stolen or Unauthorized Use

It is important to continually monitor your monthly statements to identify any unauthorized transactions. If your card is lost or stolen or you believe that someone has accessed or may access money from your card without your permission, notify us immediately. If you notice unauthorized or fraudulent activity on your card, notify us immediately. Notify us at the phone number or address listed on your statement under "How to Reach Us." See **Your Billing Rights** for further information. If your card is used fraudulently, you agree to assist us in our investigation.

Annual Percentage Rate

This Agreement establishes the **Annual Percentage Rate** for Purchases, Balance Transfers and Cash Advances under this credit card program. We have provided you with a separate written disclosure stating the Annual Percentage Rate that will apply to purchases, balance transfers and cash advances on your account. That disclosure is made part of this Agreement by this reference.

The **Annual Percentage Rate** is currently fixed and will remain fixed for a minimum of one year after account opening. The Annual Percentage Rate is subject to change thereafter. Should the Annual Percentage Rate change, a 45-day Change in Terms Notice (CIT) will be issued and balances resulting from charges incurred prior to and up to 14 days after the issuance of the CIT will be protected at the Annual Percentage Rate existing prior to the change to the Annual Percentage Rate. This does not apply to the penalty Annual Percentage Rate referenced on your disclosure. Note that an increase in the Annual Percentage Rate may result in greater interest charges and a larger monthly payment. The maximum **Annual Percentage Rate is 18%.**

Annual Percentage Rate - Penalty Rate

If your credit card account is delinquent 60 days, we will increase your **Annual Percentage Rate** on the entire balance to 17.90%. The Penalty APR will continue to apply unless you make six consecutive minimum payments when due (beginning with the billing cycle immediately following the application of the Penalty APR) and do not exceed your credit limit during that time period. If these requirements are met, your credit card rate will be lowered to reflect your original tier.

Monthly Periodic Rate

The Monthly Periodic Rate is determined by dividing the Annual Percentage Rate by 12 (as there are 12 months in a year).

Calculation of Interest Charges

Interest charges for each monthly billing cycle will be calculated by multiplying the Average Adjusted Daily Balance by the Monthly Periodic Rate. We will calculate your Average Adjusted Daily Balance as follows: We take the outstanding balance (all amounts you owe) at the start of the day. Then, in the sequence in which the amounts post to your account, we add the amounts of all debits and subtract the amounts of all payments and credits which post to your account that day. After applying payments and credits, we subtract any amount of late charge, interest charge and any other charges that remain unpaid.

The result is the adjusted daily balance for that day. We add together all the adjusted daily balances for each day in the billing cycle and divide the total by the number of days in the billing cycle. The result is the Average Adjusted Daily Balance for that billing cycle.

Interest charges are imposed only if you do not pay in full the new balance for purchases shown on your periodic statement within 25 days of the end of the statement period. However, interest charges will be assessed and will accrue on any cash advance (see **Purchases/Balance Transfers/Cash Advances**) from the date that such cash advance transaction is posted to your account to the date the cash advance balance is paid in full or the statement closing date whichever comes first, even if we receive payment of the entire new balance by the payment due date. In other words, there is no time period within which credit extended to you by a cash advance may be repaid without incurring an interest charge.

Late Charge

If the minimum payment due is not received by the Credit Union within 15 days after the payment due date, a late charge up to \$25 will be imposed.

Additional Fees and Service Charges

We may charge additional service charges for the following:

- Any payment instrument or method including check, in-person, ACH or other electronic transaction returned to us for any reason: up to \$20.
- Convenience check stop payment: \$15.
- Balance transfer stop payment fee: \$15.
- Each request to have a credit card delivered by courier: \$20.

Change in Terms

This Agreement is the contract which applies to all transactions on your Account even though the sales, Cash Advance, credit or other documents you sign, agree to or receive may contain different terms. We may amend, modify, add to or delete from this Agreement any term, condition, service or feature at any time, including the

amount or **Calculation of Interest Charges**. Unless we state otherwise, the change will affect any unpaid balance outstanding and any subsequent transactions. A notice will be mailed to your last known mailing address or sent through email (if you have consented to receive electronic communications) at least 45 days prior to the effective date of the change as required by federal or other law. When a notice of change in terms is required, it may be sent as late as the effective date of the change when the change has been agreed to in writing by you. Rates are based on approved credit.

Cancellation

You may cancel your card at any time in writing or over the phone. Cancellation of the card will end all charging privileges. The balance must be paid in full at the time of closure. Funds in the designated share account may be used to pay off the balance. Any funds in excess of the balance pay off will be returned to you. We have the right to revoke your right to use the credit card at any time. We can do this with or without cause and without giving you notice. We may list revoked credit cards in a cancellation bulletin or otherwise inform firms honoring the credit card that the credit card issued to you has been revoked or cancelled. If we revoke the credit card or it expires, we reserve the right to offset the remaining balance with the security in the designated share account (see **Pledges of Shares**). Also, if a firm that accepts the credit card asks you to surrender an expired or revoked credit card, you must do so. You may not use the credit card after it has expired or after it has been revoked. Cancellation or revocation of your credit card will not affect your obligation to pay any amounts that may be due under this Agreement.

Illegal Activity

Your Mastercard may not be used for any illegal activity. Internet gambling may be illegal in the jurisdiction in which you are located, including the United States and its territories. Your card may only be used for legal transactions. Display of a payment card logo by an online merchant does not mean that Internet gambling or other transactions are legal in the jurisdiction in which you are located. You agree to repay, according to the terms of this Agreement, transactions you initiate by use of your card, whether they are deemed legal or illegal.

Internet Transactions

Your Mastercard is automatically enrolled in the Mastercard 3-D Secure program. 3-D Secure is designed as an additional layer of security for online transactions when you use your credit card during a card-not-present transaction. Your transaction is securely verified in the background, and there is nothing else for you to do.

Foreign Currency Transactions

If you effect a transaction at a merchant that settles in a currency other than U.S. dollars, Mastercard International will convert the charge into a U.S. dollar amount. The conversion rate in U.S. dollars will be either at the government-mandated rate or a wholesale currency market rate determined by Mastercard for the processing

date on which the transaction is processed. The currency conversion rate used by Mastercard on the processing date may differ from the rate that would have been used on the purchase date or the cardholder statement posting date.

Foreign Transaction Fee

A fee of 2% of the transaction amount in U.S. Dollars will be assessed on cross-border and international transactions. International transactions include Internet transactions made when you are in the United States but the merchant processes the transaction in a foreign country. Transactions acquired in U.S. territories and transactions originating on U.S. military bases, at U.S. embassies and at U.S. consulates, are excluded from this fee.

Convenience Checks

You may access your credit line by writing checks provided by us for that purpose. The checks will be honored and paid up to your credit limit as long as the account is not in default. You may request a stop payment on a convenience check by phone or in writing. We must receive the request in time to afford us reasonable opportunity to act upon it under the Credit Union's rules. Oral or telephone requests to stop payment must be confirmed by you in writing to us within 14 calendar days after your original request, and if not so confirmed, such a request will be considered to have lapsed after the 14 day period. We can only honor a stop payment request for 12 months from the date of request. You agree not to hold us responsible for any claims or liabilities of payees or endorser on convenience checks for which you have requested payment stopped.

You agree not to hold us responsible for the misrouting or delay of a convenience check due to markings placed on the check by you or a prior endorser that obscure any depository endorsement placed by us or our agent. We may recognize the signature of any borrower or authorized user on this account as authorized to transact any business on the account. Convenience checks cannot be used to pay any amount you owe under this Agreement or under any other credit agreement or account you have with us now or in the future. Convenience checks are considered cash advances and accrue interest according to the method described for cash advances under the **Calculation of Interest Charges** heading of this disclosure.

Default/Collection/Attorney's Fees

You will be in default and understand that all loan credit under this Agreement may be terminated if (1) you do not make periodic payments as required by this Agreement, (2) you do not keep any promise made in this Agreement or any other agreement with this Credit Union, (3) any information that you give us to obtain a loan advance is false, (4) any third party attempts by legal process to take any property belonging to you, (5) you die, become insolvent or are a party to any bankruptcy proceeding, or (6) as otherwise provided in this Agreement. If you are in default, we may refuse to make any further advances or refuse charge privileges to you and declare all sums owed under this Agreement immediately due and payable. We may accept late payments or partial payments without losing any of

our rights under this Agreement. You understand that if you are in default, we may add to your unpaid balance any reasonable attorney's fees and court costs, all of which you agree to pay.

Waivers and Severability

We may waive or decline to enforce any of our rights under this Agreement without affecting any of our other rights. Should any provision of this Agreement be determined to be invalid or unenforceable, that determination shall not affect the validity or enforceability of any other provision.

Governing Law

This Agreement, your credit card line of credit, as well as our rights and duties and your rights and duties regarding them, will be governed by and interpreted in accordance with federal law to the fullest extent possible and, to the extent federal law does not apply, in accordance with California law, regardless of where you live and use your credit card. This Agreement is made in California. All credit will be extended from California, and all repayment must be made in California.

Third Party/Mobile Devices

We may also permit you or any authorized user to load information about your account onto third party/mobile devices (such as a smartphone, tablet, or any other handheld or wearable communication device that allows you to store or electronically present your account information) that would enable you to make purchases or engage in credit transactions for your account without needing to show your credit card. You and we agree that any such use of your account will be subject to all the terms and conditions contained in this agreement.

To the extent you do use a third party/mobile device to make a credit transaction on your account or load information about your account onto any such device, you need to be aware that we do not control the device and cannot guarantee the performance of either the device or any third party.

Additionally:

- You agree to carefully protect the security of any devices the same as you would your cash, checks, credit cards and other valuable information. We encourage you to password protect or lock your device to help prevent an unauthorized person from using it. You agree to promptly report any loss or theft to both us and the third party.
- You may incur third party fees related to engaging in a transaction (such as mobile carrier data or messaging charges).
- Credit transactions made through a third party/mobile device may involve the electronic transmission of information related to you or your account across wireless or computer networks. Third parties, such as merchants, card association networks, mobile carriers, mobile wallet operators and software application providers may use and receive information in connection with a credit transaction. Third parties

may also receive information about your mobile device when you use it to make a credit transaction.

- We may, at any time, partially or fully restrict your ability to make credit transactions through a third party/mobile device. You agree to notify us promptly if you remove or want to remove your account information from any third party/mobile device.

YOUR BILLING RIGHTS - KEEP THIS DOCUMENT FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at **SchoolsFirst FCU, P.O. BOX 11547, Santa Ana, CA 92711.**

You may also contact us through our website at **schoolsfirstfcu.org.**

In your letter, give us the following information:

- **Account Information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least three business days before an automated payment is scheduled if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing* (or electronically). You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question.

What will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of the balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will

happen:

- **If we made a mistake:** You will not have to pay the amount in question or any interest or other fees related to the amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount in question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: neither of these are necessary if your purchase was based on an advertisement we mailed to you nor if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing (or electronically) at the address or website listed under **What To Do If You Find a Mistake on Your Statement**. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
